Destination Weddings: Destination weddings are becoming increasingly popular and are a wonderful treat for guests willing to make the trip. Often these events have just as many details to plan if not more than the standard wedding, with the added challenge of coordinating a wedding via long distance. If you need a professional event planner to assist and travel to your selected destination, we are available for day of or weekend coordination. Just add this option to any of our four packages.

Price: \$1500 (not including travel and accommodation costs)

Rehearsal Dinner: With a guest list consisting of your closest friends and family, the rehearsal dinner can be an event in itself, and deserves the utmost attention. Let us help you select a venue, menu, and set up any décor items on the day of the rehearsal so you can relax and enjoy this time.

Invitation Service: Your invitations are ordered but you don't have time to get them ready to mail. We will also provide you with a spreadsheet that can be used to plan seat assignments, monitor gifts, and check off thank you cards written after the event.

Favors and Hospitality Gifts: Want to treat your guests to delightful, custom-made favors at their place setting or hospitality gifts as they check in to their hotel rooms? We can work to create the perfect design element to match your vision and budget. We will shop for, create, and deliver the favors or gifts to your event venue or to the various guest accommodations.

Price: TBD, based on design and materials.
